"Inside me lives a boy,

And he's fallen in love with you"

*I could
not bluntly
brush off*

*those
pleading
eyes.*

Oh?

Only recently.

Ah.

No.

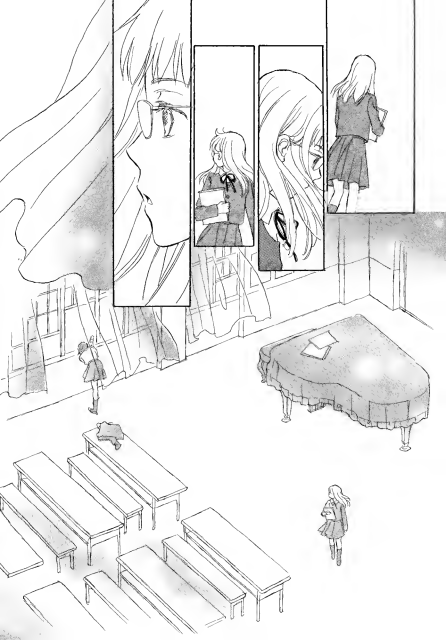

So...has he
always lived
inside you,
Hayama-
san?

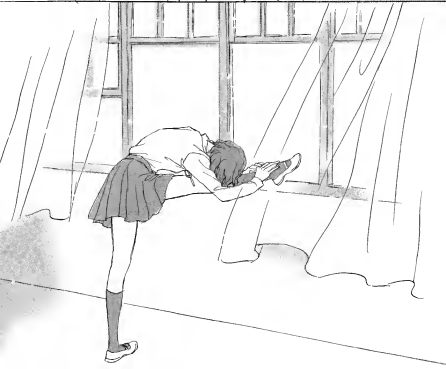

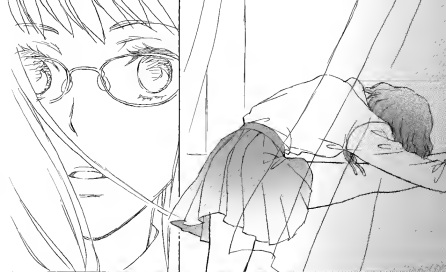

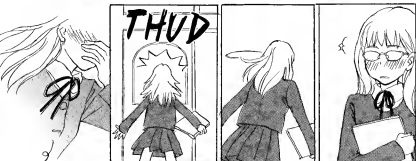

To be
precise, last
Wednesday,
a little past
3 pm,

In the
music
room.

There, all of
a sudden, he
manifested in
my heart.

At that
moment.

the boy
was born.

THUD

EH?

UH,
HAYAMA-
SAN?

SORRY,
I DIDN'T
MEAN THA-

It's hard
for me.

Every time
I see you...

his heart
beats like
crazy.

But why does
that have to
affect my
chest, too?

On you?
How about
on me?

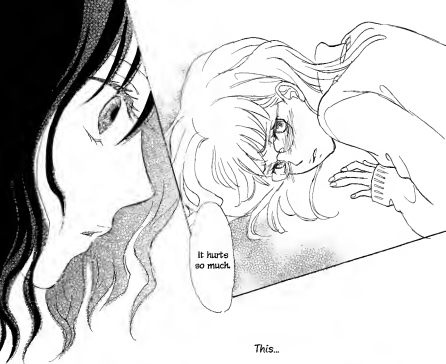

It both-
ered me
a lot.

From
that day
on, around
the clock,

his heart
was always
chasing
after you.

And
I just
couldn't
handle it
anymore.

It's
been
a huge
burden
on me.

This...

What
is this
frigging
noise?!

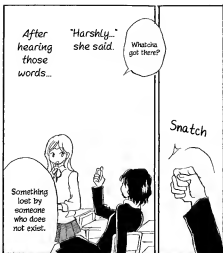

Please
help me.

Did she
just do
something
to me?

Please.

This is
bad.

"And reject him harshly."

Fwiiw

Seeing her
like that.

I wanted to

tease
her more

and make
her cry.

What, geez
I hardly
ask loads?

I don't care
about your
mumbling,
but stop
with that
stretching.

Yeah, I
know,
right?

SQUEEZE

**UWAA!
SICK!!**

And
then hug
her tightly
to make it
all better.

Got
it.

Are you
ready?

NOD

Shiver Shiver Shiver Shiver

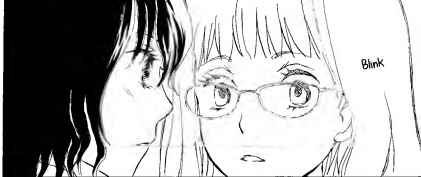

My
sadistic
side is
flaring up
again.

ooo

Mmm.
yes.

She's
cute.

BOTH.

Is it Daddy or Mommy who's consoling me now?

I found it
back then.

That
Wednes-
day.

Thud

Ouch

In the music
room, in the
afternoon.

Run

Run

Run

Run

Run

The
second
button's
closest to
your heart.
The boy's
heart.

I kept it
with me.

I see.

Nope.

You
want to
bully
me?

I can
just buy a
new button
though.

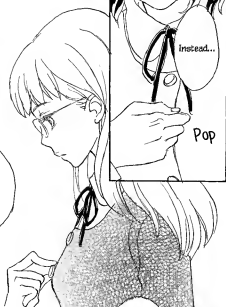

You
don't need
to buy a
new one.

I'm not
giving it
to you.

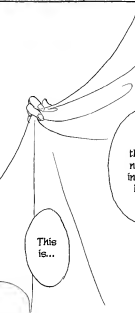

You can
have my
button.

instead...

Pop

This
is...

And
there's
no boy
involved
here.

And,
Hayama-
san's heart
will be near
my heart.

See?
